

CURRICULUM VITAE

Thomas O. McMeekin, MD

EDUCATION

Quincy Jr., Sr. High School
Valedictorian/H.S. Diploma
1963

Stanford University
B.A. with Distinction/Biology
1967

University of Rochester Medical School
M.D. with Honor/Medicine
1971

University of Rochester Medical School
9 Units toward MPH/Public Health
1976

RESIDENCY

Beth Israel Hospital
Harvard University
Intern in Medicine
1971-72

Strong Memorial Hospital
University of Rochester
Assistant Resident in Medicine
1974-75

Strong Memorial Hospital
University of Rochester
Special Residency In Medicine
1975-76

Mass. General Hospital
Harvard University
Resident in Dermatology
1976-77

Lahey Clinic
Harvard Affiliation
Resident in Dermatology
1977-78

BOARD CERTIFIED

Internal Medicine 6/1976
Dermatology 10/1978

MILITARY

Captain, USPHS, National Health Service Corps, Community Health Clinics/Homedale, ID 1972-74

FACULTY APPOINTMENTS

University of Rochester
Clinical Professor of Dermatology and Pediatrics
1983-Present

SUNY at Buffalo
Clinical Assistant Professor of Dermatology
1997-Present

PROFESSIONAL HOSPITAL APPOINTMENTS

Strong Memorial Hospital/Rochester, NY
Assoc. Physician & Assoc. Pediatrician
1978-Present

Rochester General Hospital/Rochester, NY
Courtesy Staff
1986-Present

Highland Hospital/Rochester, NY
Staff
1998-Present

MEMBERSHIP IN LOCAL AND STATE ORGANIZATIONS

New York State Medical Society
1978-Present

Monroe County Medical Society
1978-Present

Rochester Academy of Medicine
1978-Present

Rochester-Buffalo Dermatology Society
1978-Present

New York State Society of Dermatology
1982-Present

Rochester Dermatology Society
1978-Present

Harvard MGH Dermatology House Officers Association
1982-Present

MEMBERSHIP IN NATIONAL ORGANIZATIONS

Alpha Omega Alpha
1971-Present

National Dermatology Foundation
1977-Present

American Academy of Dermatology Fellow
1980-Present
Skin Cancer Foundation
1982-Present

Society for Investigative Derm
1978-Present

American Society for Dermatologic Surgery
1983-Present

International Society for Dermatologic Surgery
1983-Present

American Society for Laser Medicine and Surgery
1985-Present

Masters Dermatologic Association
1989-Present

Association of Clinicians for the Underserved
1999-Present

HONORS AND AWARDS

Doran J. Stephens Alumni Assoc. Award/1971
Alpha Omega Alpha/1971
Kohn Fellow/1980-1981
Continuing Medical Education Award (AMA and Derm)/1981/1984/1987/1990/1993/1995/1998
American Academy of Dermatology Community Service Award/1993
Brian P. Flanagan Annual Teaching Award/1995
Who's Who By Marquis/1988-2000
Best Doctors in America/1998
University of Rochester Dept. of Derm. Outstanding Teaching Service/1998
Who's Who by Strathmores/1999-2000
Selected by Peers as America's Top-rated Physicians in Dermatology in *Guide to Top Doctors*/1999

PROFESSIONAL ADMINISTRATIVE ASSIGNMENT

Medical Advisor on Advisory Board of AAMA Monroe County Chapter
1982-Present

Monroe County Medical Society Mediation Committee
1985-Present

President - Rochester Dermatology Society
1981-1990

President - Rochester-Buffalo Dermatology Society
1989-1990

Board Member NYS Dermatology Society
1985-1996

Treasurer NYS Dermatology Society
1990-1992

Vice President NYS Dermatology Society
1993-1994

Co-Chairman American Society for Laser Medicine and Surgery (ASLMS)
Dermatology and Plastic Surgery Program
1993-1994

Standards of Training Committee – ASLMS
1994-1997

Finance Committee – ASLMS
1997-1999

Nominating Committee ASLMS
1998-2000

Safety Committee ASLMS
1999-Present

REVIEWER FOR JOURNALS

- Archives of Dermatology
- JAAD
- Dermatologic Surgery
- Cosmetic Surgery Times

COMMUNITY EDITORIALS

Wolf Community Newspaper Guest Editorials/1996

- Skin Cancer
- Lasers in Dermatology
- Retinoids
- CO2 Laser Resurfacing

1998

- Hair Removal: Myth or Reality?
- Erbium Yag Laser Resurfacing

1999

- Options for Treatment For Varicose and Spider Veins of the Legs

NATIONAL ACADEMIC RESPONSIBILITIES

"Treatment of Tattoos and Pigmented Lesions with the Q-Switched Ruby Laser". Faculty/Panel Member
Advanced Laser Course. AAD. San Francisco, CA., 1992.

Co-Chairman Plastic Surgery/Dermatology Section 14th Annual meeting ASLMS
Toronto, Ontario, Canada. April 1994.

Chairman, Panel on Laser Resurfacing. ASLMS Annual Meetings. Phoenix, AZ, 1998.
Orlando, FL. 1999.

Faculty, Pascack Valley Laser Centre and New Jersey Medical College Cutaneous Laser Workshop.
Pascack Valley, NJ. 1988-1998.

Faculty, Abbott Northwestern Hospital Cutaneous Laser Surgery Course.
Minneapolis, MN. 1990-93, 1995.

Faculty, Harvard Course "Controversies in Laser Surgery". Aspen, CO. 1991, 1993.
Bermuda. 1995, 1998. Woodstock, Vermont 2000.

PRESENTATIONS

1. Skin Cancer Prevention and Recognition. USGA Regional Meeting. Rochester, NY. April 1993.
2. Dermatologic Manifestations of Systemic Diseases of the Eye. Strong Memorial Hospital. Rochester, NY. May 1993.
3. a) What is the Justification of General Anesthesia in the Treatment of Children with Port Wine Stains? Harvard Controversies in Laser Surgery Course.
b) What is the Role of the Laser Company, Physician and Insurance Company in reducing the Cost of Laser Procedures? Harvard Controversies in Laser Surgery Course.
c) Justification of Charging for Laser Treatment of Cafe Au Lait if Recurrence is common. Harvard Controversies in Laser Surgery. Aspen, CO. August 1993.
4. Superficial Fungal Infections. Green Hills, NY. September 1993
5. Q-Switched Ruby Laser Treatment of Tattoos and Benign Lesions. Abbott North-Western Laser Conference. Minneapolis, MN. October 1993.
6. a) Flashlamp Pulsed Dye Laser Treatment of Benign Vascular lesions.
b) Flashlamp Pulsed Dye Laser Treatment of Port Wine Stains. **Course Director**. Half-Day Course. Candela Laser Corporation. Chattanooga, TN. October 1993.
7. a) Pulsed Dye Laser Treatment of Benign Vascular Lesions.
b) Pulsed Dye Laser Treatment of Hemangiomas. Pascack Valley, NJ. November 1993.
8. Laser Tissue Interaction Processes. Laboratory For Laser Energetics. Rochester, NY. March 1994
9. What's New in Dermatology/Plastic Surgery Literature for 1994. ASLMS. Toronto, Ontario, Canada. April 1994.
10. Skin Cancer Recognition and Prevention. Academy of Medicine Lecture. Rochester, NY. May 1994.
11. Office Photography with Professional Results. Strong Memorial Hospital. Rochester, NY. June 1994.
12. Medical Photography. Masters Dermatology Association. Colorado Springs, CO. September 1994.
13. Ruby Laser Treatment of Tattoos and Benign Lesions. Abbott Northwestern Laser Conference. Minneapolis, MN. October 1994.
14. Hemangiomas and Benign Vascular Lesions. Pascack Valley, NJ. November 1994.
15. Seminar for Dermatology Residents on Laser Physics, Pulsed Dye Lasers and Q-Switched Lasers. **Course Director**, one-half day seminar. Genesee Valley Laser Centre. Rochester, NY. November 1994.
16. Laser Resurfacing with the CO2 UltraPulse. **Course Director**, one-day course. Abbott Northwestern Laser Conference. Minneapolis, MN. April 1995.
17. The Comparison of the 5mm Versus the 7mm Spot Size in the Treatment of Port Wine Stains. ASLMS. San Diego, CA. April 1995.
18. Laser Resurfacing with CO2 UltraPulse. **Course Director**, one-day course. Medical Alliance Course. Philadelphia, PA. May 1995.
19. Laser Applications in Dermatology. Laboratory For Laser Energetics. Rochester, NY. April 1995.
20. Skin Neoplasms. Systems Path Course. Strong Memorial Hospital. Rochester, NY April 1995.
21. Is Treatment of Melasma, Café Au Lait and Post-Inflammatory Hyperpigmentation Effective? Harvard Controversies in Laser Surgery. Bermuda. August 1995
22. Laser Resurfacing with the UltraPulse. **Course Director**, one-day seminar. Medical Alliance. Philadelphia, PA. September 1995.
23. Laser Resurfacing with CO2 Q-switched Lasers, Ruby Q-switched Lasers, Nd:Yag and Pulsed Dye Lasers. **Course Director**, one and one-half day seminar. Medical Alliance. Phoenix, AZ. October 1995.
24. Laser Resurfacing of Benign Lesions and Wrinkles with CO2 UltraPulse. Masters Dermatology Association. Sea Island, GA. October 1995.
25. Pulsed Dye Laser Treatment of Benign Vascular Lesions and Hemangiomas. Pascack Valley, NJ. November 1995.
26. Resident Seminar on Laser Physics, Laser Resurfacing and Pulsed Lasers. **Course Director**, one-half day seminar. Genesee Valley Laser Centre. Rochester, NY. November 1995.

27. Laser Resurfacing with CO2 UltraPulse, Pulsed Dye Lasers and Q-Switched Lasers. **Course Director**, one-day seminar. Medical Alliance. Chicago, Ill. December 1995.
28. Pulsed Lasers in Dermatology. Plastic Surgery Residents. November 1995.
29. Sarcoidosis. Strong Memorial Hospital. Rochester, NY. February 1996.
30. Laser Resurfacing with the CO2 UltraPulse. **Course Director**, one-day course. Medical Alliance. Morristown, NJ. February 1996.
31. Laser Resurfacing. Strong Memorial Hospital. Rochester, NY. March, 1996.
32. Laser Resurfacing. **Course Director**, one-day seminar. Medical Alliance. Philadelphia, PA. March 1996.
33. Aesthetic Laser Workshop Course. **Course Director**, one-day course. Coherent at The Genesee Valley Laser Centre. Rochester, NY. April 1996.
34. Laser Resurfacing. **Course Director**, one-day course. Medical Alliance. Morristown, NJ. May 1996.
35. Laser Center Marketing Co-presenter. ASLMS. Orlando, FL. April 1996.
36. Laser Resurfacing. Festshrift for Lowell Goldsmith. Rochester, NY. June 1996.
37. CO2, Pulsed Dye Laser and Nd:Yag Lasers. **Course Director**, one-day seminar. Medical Alliance. Houston, TX. November 1996.
38. Medical Photography. Strong Memorial Hospital. Rochester, NY. October 1996.
39. Vascular Lesions: Treatment with Pulsed Dye Laser. Pascack Valley, NJ. November 1996.
40. Dermatology Resident Seminar on Candela, Ruby, Yag and CO2. **Course Director** one-half day seminar. Genesee Valley Laser Centre. Rochester, NY. November 1996.
41. Facial Resurfacing with the CO2 UltraPulse. **Course Director**, one-day seminar. Coherent Laser Company. Genesee Valley Laser Centre. December 1996.
42. Marketing an Outpatient Laser Center. Masters Dermatology Association. Tucson, AZ. December 1996.
43. Advances in Laser Resurfacing. ASLMS. Phoenix, AZ. April 1997.
44. Cutaneous Neoplasms. Systems Pathology Course. Strong Memorial Hospital. Rochester, NY. May 1997.
45. Resident Laser Seminar Erbium YAG/VersaPulse, CO2 Lasers. **Course Director**, one-half day course. Genesee Valley Laser Centre. Rochester, NY. June 1997.
46. Medical Photography. Strong Memorial Hospital. Rochester, NY. September 1997
47. Erbium YAG Resurfacing. **Course Director**, one-day course. ConBio. Genesee Valley Laser Centre. Rochester, NY. October 1997.
48. Granulomatous Skin Disease. The Genesee Hospital. Rochester, NY. November 1997.
49. Resident Dermatology Inservice: Vascular Lesions, Pigmented Lesions and Tattoos. **Course Director**, one-half day seminar. Genesee Valley Laser Centre. Rochester, NY. November 1997.
50. Erbium YAG Treatment of Benign Lesions. Vascular Lesions Treatment with Pulsed Dye Lasers. Cutaneous Laser Workshop. Pascack Valley Hospital, NJ. November 1997.
51. Sarcoidosis. Strong Memorial Hospital. Rochester, NY. January 1998
52. Update on Laser Resurfacing. ASLMS. San Diego, CA. April 1998.
53. Treatment of Spider Veins with the Long Pulse 532 Versapulse Laser. Talk/Poster. ASLMS. San Diego, CA. April 1998.
54. Laser Resurfacing Panel. **Chairman**. ASLMS. San Diego, CA. April 1998.
55. Erbium Yag - Resurfacing, Nd:Yag - Pigmented Lesions/Tattoos, Diolite - Vascular Lesions. **Course Director**, one-day seminar. ConBio. Genesee Valley Laser Centre. Rochester, NY. May 1998.
56. Dermatologic Conditions with Ophthalmologic Manifestations. Strong Memorial Hospital. Rochester, NY. May 1998.
57. Dermatology Resident Seminar: Laser Physics - Hair Removal, Resurfacing Lasers-CO2 and Erbium Yag. **Course Director**, one-half day seminar. Genesee Valley Laser Centre. Rochester, NY. June 1998.
58. Laser Treatment of Scars and Striae - Is it Effective? Harvard Controversies in Laser Surgery. Bermuda. August 1998.
59. Superficial Fungal Infections. Strong Memorial Hospital. Rochester, NY. October 1998.

60. Laser Hair Removal - Myth or Reality? Masters Dermatology Association. Pebble Beach, CA. October 1998.
61. Erbium Yag Laser Resurfacing. Buffalo-Rochester Dermatology Meeting. Strong Memorial Hospital. Rochester, NY. November 1998.
62. Dermatology Resident Inservice: Laser Physics - Vascular Lesions, Pigmented Lesions and Tattoos. **Course Director**, one-half day seminar. Genesee Valley Laser Centre. Rochester, NY. November 1998.
63. Vascular Lesions: Treatment with Pulsed Lasers. Pascack Valley, NJ. November 1998.
64. Topical /Local/Regional Anesthesia. University of Rochester, Rochester, NY. February 1999.
65. Dermatology Resident Inservice: Laser Resurfacing. **Course Director**, one-half day seminar. Genesee Valley Laser Centre. Rochester, NY. June 1999.
66. Dermatology Resident Inservice: Vascular Lesions, Hair Removal, Microdermabrasion. Genesee Valley Laser Centre. Rochester, NY. November 18, 1999.
67. Laser Physics Review. American Society for Lasers 20th Annual Meeting, Nursing Course, April 6, 2000.
68. Benign Skin Lesions, Diagnosis and Treatment. Dermatology for Primary Care Physicians. University of Rochester Continuing Education. Skaneateles, New York. April 15, 2000.
69. Dermatology Resident Inservice. Pigmented Lesions, Tattoos, Botox, Nonablative Skin Resurfacing. Genesee Valley Laser Centre. June 15, 2000.
70. Are Lasers and Light Sources the Treatment of Choice for Leg Veins? Controversies and Conversations in Cutaneous Laser Surgery. Woodstock, Vermont. August 11, 2000.
71. Nonablative Facial Resurfacing with the Cool Touch. Masters Derm Assoc., Seabrook, Georgia. October 22, 2000.
72. Resident Inservice. Vascular Lesions, Leg veins, Alphahydroxy acids. Genesee Valley Laser Centre, November 30, 2000.
73. What the Primary Care Physician Should Know about Lasers. Rochester Primary Care Symposium. June 2, 2001.
74. Resident Inservice. Laser Physics, Resurfacing with CO2 and Erbium Yag Lasers, Hair Removal. Genesee Valley Laser Centre. June 14, 2001.
